

K-Love serves our community in a positive way. With so much "bad things" and negativity it is a refreshing change to listen to positive music and messages. In my opinion it would be a tragedy if K-Love were displaced by an LPFM broadcaster providing other programming. There is enough broadcasting that doesn't talk about morals and ethics and only preaches negativity. My children listen to the messages and music on K-Love and are encouraged and enriched by the content. I believe that there comes a time when morals are more important than the all mighty dollar. If K-Love is bumped then this would just prove the true moral decay of this country.
